AN ENABLING ENVIRONMENT
FOR CIVIL SOCIETY

The EU SEE brings together organizations from 86 countries to monitor and defend civil society. We fight to protect fundamental rights around the world by promoting a healthy environment that enables civil society.

We work global partners to support them to coordinate a response to developments, and to **link them with funding.**

- Monitors, assesses and coordinates a response to developments in civil society.
- Works in 86 countries across Africa, Asia, MENA and LATAM.
- Provides an Early Warning Mechanism, detailed snapshots, reports and recommendations to promote a healthy global civil society.
- Supports 700 civil society organisations through the Flexible Support Mechanism.
