

Photograph Specifications for EU SEE publications

To submit your own photograph to represent your network member activities on the EU SEE website and EU SEE publications, see the following guidelines.

- Submit one photo that represents the activities of civil society in your country or region.
- Follow a 3:2 aspect ratio (wide lens) or 16:9 (mobile landscape photo)
- Max resolution of 1080p (1920x1080)
- Minimum resolution of 720p (1280x720)
- Refrain from using photographs of actual members of your organisation, in cases where privacy is key.

Thank you!
